9<sup>th</sup> December 2011  
JKC/jc

Dear Parents/Carers

As you are aware every year we run an examination period for each year group. This year the examination period for Year 11 will contain a mixture of actual GCSE examinations as well as mock examinations.

The timetable for the GCSE examinations has already been given to students but is also included in the attached timetable. Please note that the English examinations on 10<sup>th</sup> January and the Science examinations on 26<sup>th</sup> January are GCSE examinations and will contribute to your child's final grades.

The examinations will take place in the hall under examination conditions. All students will be expected to attend normal lessons when they are not involved in an examination.

Please ensure that your child has the correct equipment for each examination: a **black** pen, a pencil and a ruler for all examinations and in addition, a calculator and a protractor may be required for some examinations.

These are important examinations as they will provide all concerned with an indication of the grade they are likely to achieve in the Summer GCSE examinations, for this reason we ask that you encourage your son/daughter to prepare for them thoroughly and try their very best on the day.

Yours sincerely

**Mrs J Conway**
