Dear Parents/Carers

Since the beginning of this academic year, there have been a small number of students not bringing the correct PE kit to school and some students have expressed confusion regarding the kit list.

It is a requirement of the PE Department that students wear the items on the PE kit list shown below only and it is every student's responsibility to bring the appropriate PE Kit to school with them. **As from Monday 20th February 2012, we will be imposing sanctions on students not bringing or wearing the correct PE kit.** Please note that any pupil unable to do PE due to illness must still bring their PE kit to school with them together with a note requesting to be excused. Their teacher will then decide whether or not they will participate.
