

» A Brilliant Term 2

Congratulations to all Year 11 students for another fantastic term. Students have been continuing to engage well in their learning and have demonstrated The Malling School Way core character values by being Caring, Determined and Reflective in all of their studies.

Behaviour has continued to be exemplary throughout the year group and we are seeing low numbers of transfers, this highlights how well Year 11 are engaging in their learning and seeing the value of remaining in lessons and working hard. I am sure these high standards will continue as we move into Term 3 and in the run up to exam season.

Attendance, punctuality and uniform standards across the year group have improved and this is something we are going to continue to work on throughout the academic year.

» Period One

Year 11 have continued to work on their GCSE Mind Set this term as highlighted by Mrs Allison in her bulletins. Alongside this Year 11 have been working on curriculum interventions and their Personal Development and Character Education. We will always place as much importance on our students' Personal Development & Character Education as we do their academic achievement, and we are incredibly excited about what is to come for students in Term 3.

As you will know, we are formally recognised as one of only three secondary schools in England who have been awarded status as a School of Character Plus, from the national Association of Character Education and, as such, our Year 11 students continue to follow our PD&CE curriculum in Period One.

Next term, students will learn about their physical and mental health, keeping safe both on and offline and basic first aid. We are very much looking forward to another terrific term!

» Special Recognition

I have been blown away this term by the hard work and determination that Year 11 have demonstrated. At the end of each term in our rewards assembly we celebrate those students who have achieved the most TMSW reward points.

This term I was delighted to see that we had a few students in Year 11 who have achieved their third TMSW badge. Congratulations to, Amy Bannister, Maddie Curd, Jessica Fearn, Jess Ritchie and Poppy Brown.

Finally, I would like to congratulate Natasha Anstee for her outstanding piece of artwork that was submitted for the 'Moments in time' home learning challenge.

» Website Update

We have recently updated the school website, please use the link below to view a website introduction video which talks you through the various features you can now access online.
