5th October 2021
VY/jmc

Dear Parents/Carers

We would like to offer you the opportunity to buy science revision guides at a reduced price.

We recommend combined science students purchase the revision guide @ £5.60 (higher or foundation).

For triple science students the 3 subject guides come to a total of £8.55.

We also have available workbooks (and answers) as detailed in the table on the next page.

If you are unsure which book to order, please ask your son/daughter to speak to their science teacher for advice.

Please place your order through the school website (SCOPAY) by the 18th of October.

Once the deadline has passed (18th October), I will order the books and distribute them from the science office. **Students will be expected to collect the books themselves.**

Yours sincerely

Mrs V E Young
2ic Science and KS5 Coordinator
