25th March 2022

Dear Parents/Carers

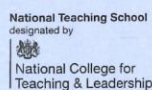

I am writing to inform you of the revision opportunities available to year 11 students during the Easter holidays. Some of the sessions will be held in school and others will be held remotely to enable as many students as possible to attend. Invitations to the remote sessions will be sent to students' emails and put on Teams as we approach the session date. Some students will also be invited to bespoke sessions and invitations to these will be sent separately by post. Please see a list of sessions open to all year 11 students on page 2 of this letter.

I can't emphasise enough how important it is that your child continues revising throughout the holidays for their GCSE examinations; Ideally, they should be aiming to complete 4 hours revision a day using the revision techniques they have been taught in their period 1 sessions. I would also recommend, where possible and appropriate, your child attend the in-school revision sessions, students have given extremely positive feedback about previous holiday revision sessions.

Please can you complete the reply slip on the next page and ask your child to return it to the school office by Thursday 31st March. If for any reason your child does not return their reply slip they can still attend the holiday revision.

Yours sincerely

Mrs K Davey
Deputy Headteacher
