Dear Parents/Carers

NATIONAL TUTORING PROGRAMME – YEARS 9 AND 10

As you may be aware, the Government has provided schools with additional money to fund the National Tutoring Programme. As part of this, our Science Department has planned weekly after-school sessions to ensure each student builds the necessary skills and confidence to make the progress they are capable of.

We are offering the sessions to all students in the year groups above; the sessions will take place in the science labs every Tuesday from 18th of January after school from 3.30 to 4.30pm during Term 3 and Term 4. The sessions will be held in small groups and will cover several topics across the syllabus.

Please complete and return the reply slip below if your child is able to attend our sessions.

Yours sincerely

Edna Owusu-Bempah
