25th November 2021

Dear Parents/ Carers

Year 12 students are currently working to provide Backpack Care Packages, for those who are unfortunately homeless in our local community over Christmas. This is being completed in collaboration with Maidstone Day Centre.

We are asking for support from all students across the school and would like to fill as many backpacks as possible to make a difference to as many lives as we can.

All year groups have been bringing in donations to help us fill the backpacks and we would like to thank everyone for their contributions so far.

To continue to increase the success of this campaign, we would like to hold a non-uniform day for all years on the last day of term 17th December 2021. We ask that students contribute a minimum donation of £1 to take part in the non-uniform day. We have over 1000 students in the school, and it would be fantastic if we could raise £1000 or over from the school community.

Donations will be cashless and collected via Scopay, the deadline for donations is the 7th December 2021, this is to enable us to collect as much as possible before we visit Maidstone Day Centre on the 9th December, where we will be giving out the backpacks and additional funds donated.

We would like to thank you in advance for your support.

Kind regards

Year 12 Students
