

## » A terrific term

Well done to all the Year 10 Students for such a fantastic Term2. Students are consistently demonstrating The Malling School Way (TMSW) and are genuinely trying to display our core character values of being Caring, Determined and Reflective regularly.

Behaviour and attitude towards learning continue to be a strength in Year 10 and I congratulate you on your amazing hard work.

## » Period One

We will always place as much importance on our students' Personal Development & Character Education as we do their academic achievement. This is one of the reasons we are formally recognised as one of only three secondary schools in England who have been awarded status as a School of Character Plus, from the national Association of Character Education.

Our Year 10 students continue to follow our PD&CE curriculum in Period One, where they have, already this term, started the novel *The Book Thief*. In addition to this, the Year 10 PSHE lessons have covered the following topics: TMSW, organisation, consent, and sex education. In Term 3 our students will be studying a number of new topics (see link below)

## » Personal Development Pathways

Participation in one of the 64 lunchtime and afterschool clubs we offer at TMS is an important part of TMSW and ensuring we develop our students' character too. We expect every student to participate in at least one PDP each term and will soon be asking every student to tell us what club or clubs they have chosen so we can monitor this.
