Dear Parents/Carers.

Following on from the success of our after-school provision last year and the amazing fixtures that we were able to offer because of the high levels of participation, the PE department has mapped out extra-curricular clubs for the year to make it easier for parents and pupils to plan ahead and to increase participation, enjoyment and success. Fixtures have been arranged to coincide with the clubs that are running each term.

I have included the current plan below. This may be subject to change, but the PE department will ensure all parents and pupils are updated with any changes
