Dear Parents/Carers

We are writing to you as a parent or carer of a student who is currently in year 10 or year 11 and working towards obtaining their GCSEs. This letter is to highlight the additional revision sessions that are available to our students afterschool, specifically in maths, English and science. Please see below a copy of the intervention timetable for students in years 10 and 11 for these subjects:

	Tuesday	Wednesday	Thursday
English	Year 10 Revision		Year 11 Revision
Maths	Year 11 Revision (F) and (H)	Year 10 Revision (F) and (H)	
Science		Year 11 Revision	Year 10 Revision

These sessions will be run by our core subject teachers and will be focused on topics that students find particularly challenging within the subject area to aid their revision. Each session will run from 3.30pm-4.30pm and will take place in the rooms relevant to the subject being run on that evening. These sessions will begin from the week beginning the 12<sup>th</sup> of September and will run throughout the academic year.

The students will be provided with this information directly in lessons and during their tutor time, however we urge you to encourage the attendance of these sessions as early and frequently as possible to ensure they achieve the desired and deserved result.

Yours sincerely

**Mr C Dmytruk**  
 Assistant Headteacher
