Dear Parents/Carers

We are writing to you as a parent or carer of a student who is currently in year 11 and working towards obtaining their maths GCSE. As a department we have a **limited number** of revision guides and workbooks to assist our students in their independent revision outside of their math lessons. Please see below the packages we have available for purchase:

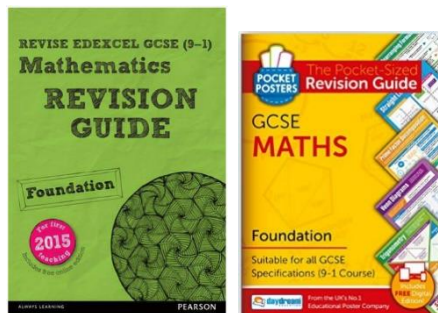

Higher revision bundle: £10

Foundation revision bundle: £10

Foundation revision guide (no workbook included): £5

If you wish to obtain one of the packages offered, please purchase these via the online system Scopay. Revision packages will be handed out to students, once purchased, during lessons via their maths teacher. If you have any further questions regarding the revision packages, please contact either myself or Brogan Daugherty.

Yours sincerely

Sally Thompson
Director of Maths
