Dear Parents/Carers

I am writing to let you know that all year 7 pupils will now be issued History and Geography homework to complete each week in addition to their English, Maths and Science homework. You will be able to see the homework your child has been set via MyChildAtSchool. This homework should be completed by logging in to Microsoft Teams and completing the assignment that has been set. Pupils will be shown by their class teachers how to access their homework on Microsoft Teams in their lessons. Any pupil who is unsure of their log-in details should ask either their class teacher or form tutor for help.

Please be reminded that homework club runs in the library after school every day until 4.00pm where members of staff are available to support your child with their homework. Pupils can also go to classroom B3 every lunchtime to receive help from a member of staff with any homework problems or concerns they have.

Class teachers will check that homework has been completed each week, and, if a pupil hasn't completed their homework, parents and carers will receive notification via MyChildAtSchool.

If you have any questions about your child's homework please email:

Yr7homework@themallingschool.kent.sch.uk

Yours sincerely

Mrs E Hanmore
Associate Assistant Headteacher
