Dear Parents and Carers,

As we continue to support our Year 11 students in the lead-up to their mock examinations and final GCSEs, we would like to take this opportunity to remind you of the importance of regular homework completion.

Homework plays a vital role in reinforcing classroom learning and has been shown to positively impact academic progress. It helps develop essential skills such as self-discipline, time management, and independent learning, all of which are crucial for success both in school and beyond.

All homework set for Year 11 students is carefully planned to link directly to their classroom work and support learning. It provides an opportunity for students to receive feedback, identify areas for improvement, and guide their revision more effectively. Completing homework alongside additional independent revision is key to building confidence and consolidating knowledge ahead of their exams.

As such, students in Year 11 who fail to complete two pieces of homework will be issued a reflection. During this time, they will be collected by a member of the Year 11 pastoral team and supported in completing the missed work.

We appreciate your continued support in encouraging your child to stay on top of their homework and revision. If you have any questions or concerns, please do not hesitate to get in touch: yr11homework@themallingschool.kent.sch.uk.

Yours sincerely,

Mrs E Hanmore
Associate Assistant Headteacher
