

9th June 2026
FTu/SSn

Dear Parent/Carer,

Results Day Information

IB Diploma Programme (IBDP) Results Day - Monday 6th July 2026

Students studying the IB Diploma Programme will receive their full results on this date. We welcome students to collect their results from 9.00am – 10.30am from the Sixth Form Hub.

International Baccalaureate Career-related Programme (IBCP)

IBCP students receive their results in two stages:

- IB component results: Monday 6th July 2026. We welcome students to collect their results from 9.00am – 10.30am from the Sixth Form Hub.
- BTEC/WJEC Level 3 component results: Thursday 13th August 2026. We welcome students to collect their results from 9.00am – 10.30am from the Sixth Form Hub.

This means that IBCP students will receive their IB subject and core component results in July, followed by their vocational qualification results in August. This does mean that some universities will not confirm spaces on courses until after Thursday 13th August 2026. Mrs Alexander, our KS5 careers advisor, will provide further details on this.

BTEC/WJEC Level 3 component results Results Day – Thursday 13th August 2026

Students studying A Levels, Level 3 BTEC qualifications and other Level 3 vocational courses will receive their results on this date. We welcome students to collect their results from 9.00am – 10.30am from the Sixth Form Hub.

GCSE, GCSE Resit and Level 2 Vocational Qualifications Results Day - Thursday 20th August 2026

Students receiving GCSE results, GCSE English and Mathematics resit results, and Level 2 BTEC/WJEC vocational qualification results will receive these on this date. We welcome students to collect their results from 9.00am – 10.30am from the main hall.

If you are unable to collect your results in person, please email fiona.turner@themallingschool.kent.sch.uk and state if you would like these to be sent by email or if someone will be collecting them on your behalf.

Yours sincerely,

Miss F Turner
Assistant Head Teacher
