

25th February 2026
 CSh/SSn

Dear Parent/Carer,

Following a busy and focused mock examination period, we hope pupils were able to enjoy a well-earned rest over the February half-term. The commitment and effort shown throughout the mock exams was commendable. Many pupils will already have started receiving some of their results from class teachers, and over the coming days pupils will continue to receive their results along with detailed feedback.

We recognise that receiving results can bring a range of emotions. For some, the outcomes will be reassuring and affirming; for others, they may highlight areas where further development is needed. Whatever the outcome, mock exams are designed to provide valuable information and guidance, and that is exactly how we will be using them.

Pupils will receive feedback from their teachers, identifying strengths as well as specific areas for improvement. Staff will use this information carefully to inform planning for upcoming lessons and our Period 6 sessions, ensuring that teaching is targeted to address gaps in knowledge and strengthen exam technique.

The months ahead are crucial. A strong and consistent response now can make a significant difference before the summer examinations. One of the most effective ways students can begin making the necessary improvements is by attending Period 6 sessions. These sessions provide focused support, subject-specific guidance, and the opportunity to revisit key areas highlighted in the mock exams. We strongly encourage all students to attend the relevant Period 6 sessions as part of their regular routine moving forward.

Please find below the Period 6 timetable:

Day	SUBJECT	Location
Monday	Maths	R13
Tuesday	Science	In person: R7 Virtual: 5:00pm-6:00pm
	Business	P2
	Sociology	T7
Wednesday	English	R11
	Computer Science	B4
	French & Spanish	Languages corridor
	History	B17
Thursday	Psychology	TSS
	Geography	B16
	Drama / Dance / Music	M6
	Virtual Maths Sessions	5:00pm–6:00pm: open-invite (Foundation & Crossover topics) 6:30pm–7:30pm: invite-only (Higher Tier)
Friday	Maths (Higher)	R16

In addition to Period 6, we will also be offering additional revision sessions during the Easter break. A separate letter outlining the timetable and further details will be shared shortly. If you have any questions regarding mock feedback or support available, please do not hesitate to contact the Year 11 Pastoral Team.

Thank you for your continued support as we work together to help every student achieve their full potential.

Yours sincerely,

Dr C Shirley
Assistant Head Teacher
Director of Science
