

22nd September 2025
EHa/SSn

Dear Parents/Carers,

I am writing to inform you about the Year 7 homework arrangements for this term. As previously communicated, only English, Maths, and Science will be setting homework during this period. This approach is designed to help students establish positive routines and habits around homework completion, without feeling overwhelmed.

To support you in understanding how your child should complete their homework, we have created a series of short guidance videos. These can be accessed via the Year 7 Homework drop-down menu on the school website:

[Homework Guidance Videos – The Malling School](#)

How will I know what homework my child has been set?

Homework assignments will be communicated via the MyChildAtSchool (MCAS) app, under the "Homework" tab. Class teachers in English, Maths, and Science will check each week to ensure homework is completed. If your child does not complete a homework assignment, you will be notified through MCAS.

How can I support my child with their homework?

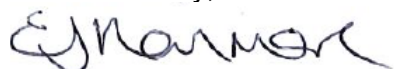

- Watch the support videos on the school website (linked above) for step-by-step guidance.
- Encourage your child to attend Homework Club, which runs every day after school in the library until 4:00pm. Staff will be available to help students who need support.

How will my child know what homework has been set?

Students can view their assigned homework by logging into their Bromcom Student Portal account. Please see the attached letter for login instructions and further details. Thank you for your continued support. If you have any questions regarding Year 7 homework, please don't hesitate to contact us at:

Yr7homework@themallingschool.kent.sch.uk.

Yours sincerely,

Mrs E Hanmore
Associate Assistant Headteacher
