Dear Parents/Carers

We are exploring the possibility of running a school ski trip for students across all years during the Easter Holidays of 2028. Before proceeding with planning, we would like to find out how many families would be interested.

The proposed trip would give students the opportunity to learn or develop their skiing skills, experience a mountain environment and build confidence and independence alongside their peers. We anticipate that the trip would cater for a range of abilities, including complete beginners, with lessons delivered by qualified ski instructors.

The initial details are:

- **Proposed destination:** East Coast of America
- **Proposed dates and duration:** Easter holidays 2028, 7 nights
- **Estimated cost per student:** £2500
- **Expected inclusions:** Half board, all equipment hire and passes, travel, insurance
- **Cost of ski-wear not included**

These details are provisional. The final cost and arrangements would be confirmed before families are asked to commit. We recognise that a ski trip represents a significant expense, so please consider the estimated cost when indicating your interest.

At this stage, we are only collecting expressions of interest. Responding does not commit you to booking or making a payment, and does not guarantee a place. The trip would depend on sufficient interest, school approval and suitable arrangements being available.

If you would be interested in your child taking part, please complete the slip below and return it to **Sally King** by Friday the 6th November 2026. If there is enough interest, we will provide further information about the itinerary, confirmed costs, payment arrangements and how to apply for a place.

If you have any questions, please contact **Sally King at** **sally.thompson@themallingschool.kent.sch.uk**

Yours sincerely
