Dear Parent/Carer,

Re: Year 13 Mock Examinations

The mock examination series for Year 13 is set to commence on Monday 12th October to Friday 23rd October, 2026.

Attached is a copy of the full examination timetable. Students who are due to take examinations will also be sent via email a personalised timetable with the examinations they are completing.

All examinations will be taken in a designated examination room under examination conditions. Students who have specific access arrangements will take their examinations in separate rooms as necessary. When students are not completing examinations, they will attend lessons as normal. All equipment required for the examinations will be provided.

You can help your child to prepare for these examinations by:

- Discussing with them about the examinations and the work they need to do to prepare for them
- Making sure they complete any revision tasks set by the teacher
- Making sure they know which examinations they have on which days and displaying the timetable at home
- Helping them to learn by testing at home on work covered in lessons
- Providing a quiet place for them to work in the period leading up to the examinations

As part of the latest 2026/2027 regulations, the following equipment **MUST NOT** be brought into the examination room:

- Electronic equipment such as mobile phones or any device that allows communication
- Wearable technology and all types of watches. This includes but is not limited to, smart watches, smart glasses and wireless headphones
- Books or guides
- Rough papers or notes

We recognise how stressful an examination series can be for our students, and offer an extensive range of support measures before, during and after the exam series.

If you have any queries about the arrangements for the examinations or would like further details, please contact Mrs Jones via email dawn.jones@themallingschool.kent.sch.uk.

Yours sincerely,

Mrs D Jones
Exams Officer
