YEAR 6 TRANSITION Workshops

SATURDAY 1ST & 8TH OCTOBER 2022

9AM - 3PM

OUR THOUGHTS

We value the importance of a smooth transition from primary to secondary school.

As part of our comprehensive transition programme, we would like to invite your child to attend one of our taster sessions.

These sessions are designed to help them to feel at home quickly; to settle into our academic and social environment and to feel part of our school community.

Students have the opportunity to experience engaging lessons whilst making new friends and enjoying themselves. If you would like your child to attend, please book via our booking system that can be found on the TMS website.

We anticipate a lot of interest, so ask that you select just one workshop for your child to attend.
